

Gretton Primary Academy

Governor Profile

Name	Tim Eaton
Governor Role	Chair of Governors
Term of Office	January 2017 – Present day
Governor Responsibilities	Chair of Governors Lead governor for Safeguarding Link governor for Early Years and Safeguarding
Links to Gretton School / Area	Have lived in Gretton for 11 years and my 3 children have all attended the school, 2 have now moved on to secondary school with out youngest daughter currently in Maple Class. I work in agriculture so am passionate about our countryside and the rural communities within it
Hobbies, Interests & Community involvement	Sport and fitness I enjoy being physical fit, my primary sport is cycling which I enjoy doing with friends whilst challenging myself to take on endurance events. I hope as a governor I give something back to our community as I feel priviledged to live in such a friendly village where you cannot walk 100 metres without someone giving you a cheery hello.
Why did you become a Governor for Gretton Primary?	I became a governor as I recognised that the school was at the heart of our village community and I hoped to be able to assist in ensuring our children had the best education right on their doorstep. Since becoming a governor I have never stopped appreciating how lucky we are to have such a fantastic staff who are so passionate about looking after our children whilst also giving them all the opportunities that they possibly can
