

Monday 4<sup>th</sup> May

## Willow Class

Hi Willow,

Lovely speaking to (most of) you on the phone this week! It's been really nice to hear your voices and to discuss the lovely work and activities you have been doing. I am glad you are still enjoying Purple Mash. I will continue to set more work on here in addition to suggesting alternate activities for you to try if you want to explore something different.

It sounds like lots of you are using the Maths resources on White Rose Hub and the English resources on BBC Bitesize, which is great!

It has been lovely to hear that you are all still enjoying reading every day. If you would like to come and take a book from school, we have left a box outside the school gate. Please help yourself!

Take care and I'll hopefully speak to you all soon.

Mrs Young

### Alternate Activities

- Continue using the White Rose Maths website for your maths learning as it's one of the best we've found. <https://whiterosemaths.com/homelearning/year-6/>
- If you haven't already, take a look and explore BBC Bitesize. I find this website better for English and the White Rose for Maths. But of course, it's completely up to you! 😊  
<https://www.bbc.co.uk/bitesize/levels/zbr9wmn>
- I also really like **Pobble365**. This 'picture a day' website has been great for creative writing each day offering different challenges from diary entries to sentence challenges.  
[www.pobble365.com](http://www.pobble365.com)
- I have set each of you up with a 'Times Tables Rockstars' account online. Please see the letter attached in the email with your login details. This is a really fun platform with different levels to achieve. I will get a message which will tell me how well you're doing on it! 😊

- As you probably know, it's VE day on Friday and it's a special one. It is the 75<sup>th</sup> anniversary! Why not hold a mini party at your house, and send me some pictures? I miss your faces! A poster about VE day would be amazing too!
