## Willow Class

Hi Willow,

I hope you are all well and staying safe with your families. Well done for all the lovely work you have been doing so far! You have been working hard.

It looks like it will be a lovely, sunny week this week, so try and enjoy some time outside in your garden or have fun when going out for your daily exercise if you can. Sunshine always manages to cheer me up! Just don't forget to wear sun cream!

This week, I'd like you to continue to read every day. This can be in any form, not just a book. You could read and enjoy a comic, a magazine, a newspaper, an online article or story. You could even take it in turns to read with a parent or sibling. As long as you are reading something you are interested in and enjoying it.

Below, I have listed some good websites you may want to explore this week. I hope you enjoy them!

Take care and keep smiling! I hope you have a lovely week.

Mrs Young

### Maths and English this week

Please continue using the [White Rose Maths website](https://whiterosemaths.com/homelearning/year-3/year-4) for your maths learning as it's one of the best we've found.

This week, I'd like you to continue to explore [BBC Bitesize](https://www.bbc.co.uk/bitesize/levels/zbr9wmn). There are some wonderful lessons set up for you to enjoy again this week and you can access them daily -

Use the [Literacy Shed](https://www.literacyshed.com/home.html) to inspire some creative writing! There are some wonderful short films to enjoy and use for inspiration.

#### Mrs Wordsmith.

Here are this week's words! Practise using the words during the week.

Sleepless:  
without sleeping

Lashing:  
a violent beating or impact, for example of waves or rain, against something

Mouthwatering:  
smelling, looking or sounding delicious

#### Other work:

[Purple Mash](#). I will continue to set **wider curriculum** activities and **science** work on Purple Mash. I hope you enjoy them! I look forward to seeing what you produce.

[Spelling and handwriting](#). Please continue to practice the spellings from your learning log. You could even use them to practice your handwriting like we do in class. Wouldn't it be great if everyone returns to school and achieves their handwriting practice! Practice makes perfect!

[Times tables Rock Stars](#) - see the newsletter dated 4.5.2020 for your logins.

[Reading](#) - Please continue to read every day! Even if it is just for 5 minutes per day, it all counts!
