

Monday

Blowing Away

Forgetful Freddie hasn't noticed his clothes blowing away in the wind.

I hung 8 things on the line and 3 blew away.

How many things does he have left on the line?

Tuesday

Blowing Away

Forgetful Freddie hasn't noticed his clothes blowing away in the wind.

I hung 6 things on the line and 4 things blew away.

How many things does he have left on the line?

Wednesday

Confusion

Forgetful Freddie is confused.
He had 9p and now has only 3p.
He wants to know how much he has lost.

Can you help him?

$$9 - ? = 3$$
