

LO: To know the features of a postcard

Which of these features can you find? Tick the boxes or write examples.

who it is to		adjectives to add detail	
who it is from			
sentences		verbs	
tells you what Claude has been doing			
chatty, informal style		which tense are the verbs?	

The address for Mr and Mrs Shinyshoes is missing. Can you make one up and write it in?

Dear Mr and Mrs Shinyshoes

I have had a lovely time exploring our beautiful city with Sir Bobblysock. The buildings were so tall, some stretched right up into the air and some even disappeared into the clouds. We had hot chocolate and fruit cocktails in a fancy cafe then visited an art gallery stuffed with paintings and sculptures. The city was so big and bright and busy and noisy with car horns peeping and beeping and shouty drivers but I loved it!

I can't wait to go there again.

With Love from Claude
