

Geography - what is the weather like on Brazil?

You are going to learn about the climate of Brazil. Start by watching the lesson on Oak Academy <https://classroom.thenational.academy/lessons/what-is-the-weather-like-in-brazil-6mr3gt> Pause the video when you are asked to do so and complete the tasks on this sheet.

To warm your brains up, you have a challenge to see if you can remember the names of the seven continents. Can you write the names next to the shape of the land?

1. Can you identify the continents by the shape of their land?

SOUTH AMERICA

We are going to focus on the continent of South America, in particular Brazil. Keep watching the video and complete the sentences:

Brazil has a varied climate because _____

The north of Brazil is near the _____ which means the climate is _____ and _____.

Further south, the weather is _____

Think about the different locations in Brazil and their climates, where would you rather live and why?

Brasilia	Manaus	Curitiba	rainfall	temperature
wet	hot	cold	dry	

I would rather live in _____ because the weather is _____

Draw a picture of yourself in your chosen place. Think about what clothes and accessories you would need so you are dressed suitably for the weather conditions.

How does climate change cause extreme weather in Brazil?

As the climate gets _____, there is more _____ in Brazil. This can cause _____

Draw a picture of an example of the extreme weather in Brazil
