

Spellings:

Please practise these spellings at home 5 times a week ready for our spelling test, which will normally take place on a Thursday morning.

Our spelling sound this week is... **tch** - The 'ch' sound is usually spelt as **tch** if it comes straight after a single vowel letter. **Exceptions:** rich, which, much, such.

Please can you also practise the common exception words given, which are the tricky red words that we can't sound out.
