

Sheep in a Pen

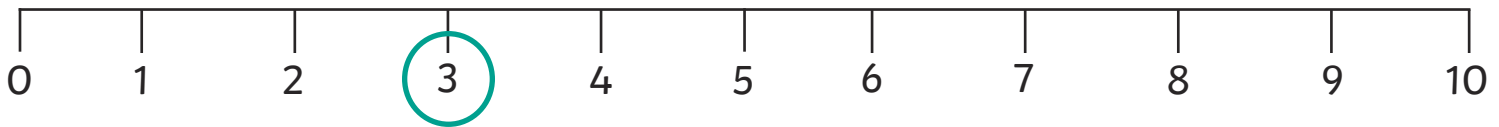

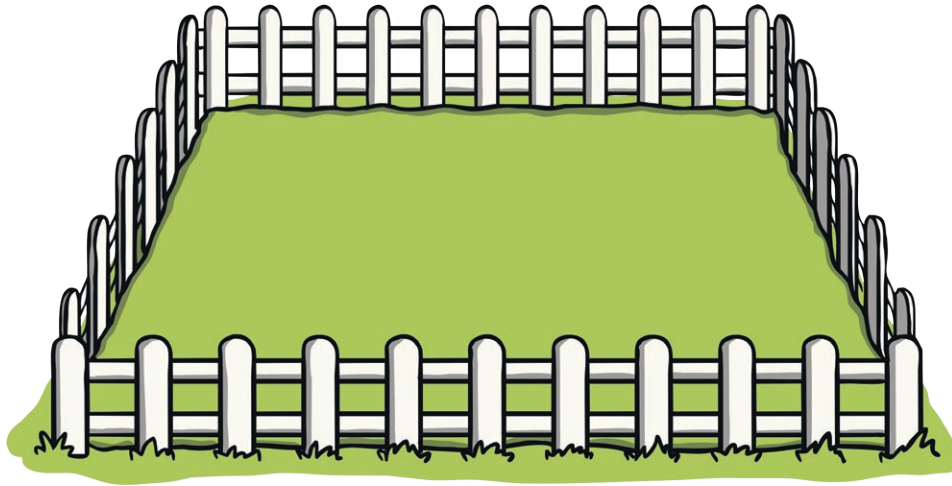

I can count on to add.

Farmer James keeps finding more sheep. Stick the extra sheep in the pen one at a time. Count on to find the total and write it in the pen.

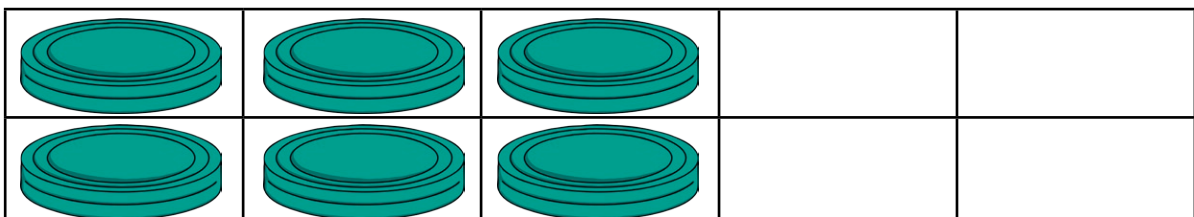

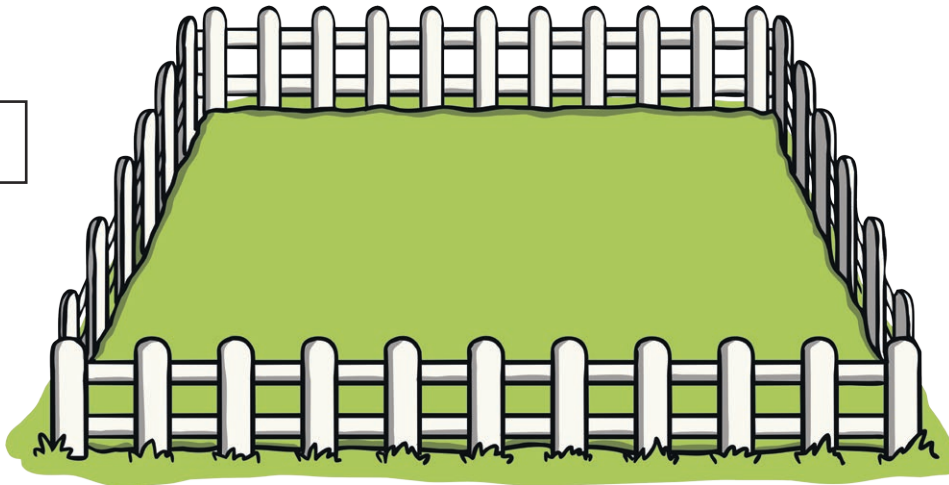

1. 3 in the pen 3 sheep found

Total:

2. 6 in the pen 4 sheep found

Total:

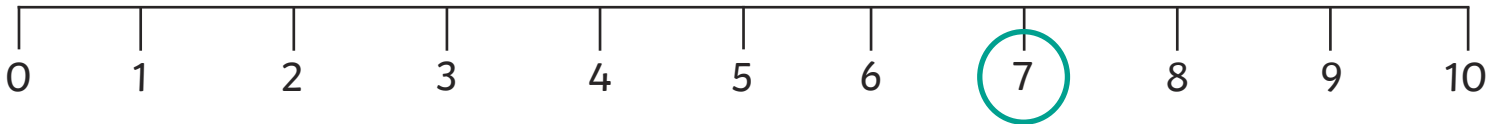

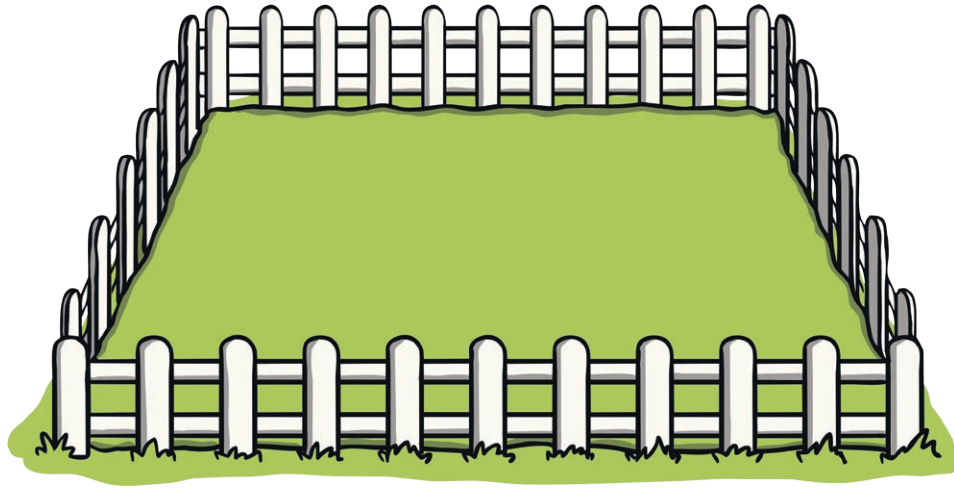

Sheep in a Pen

3. 7 in the pen 2 sheep found

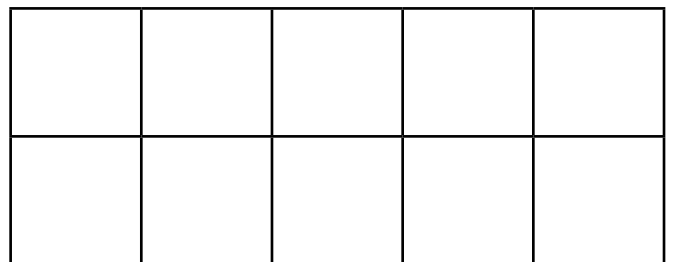

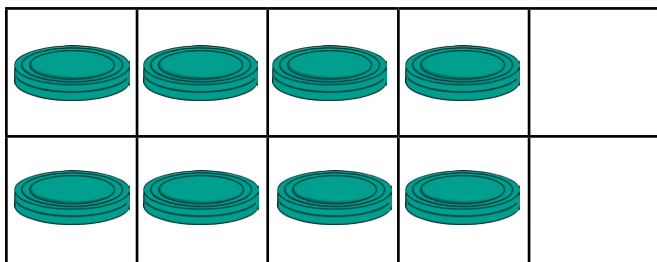

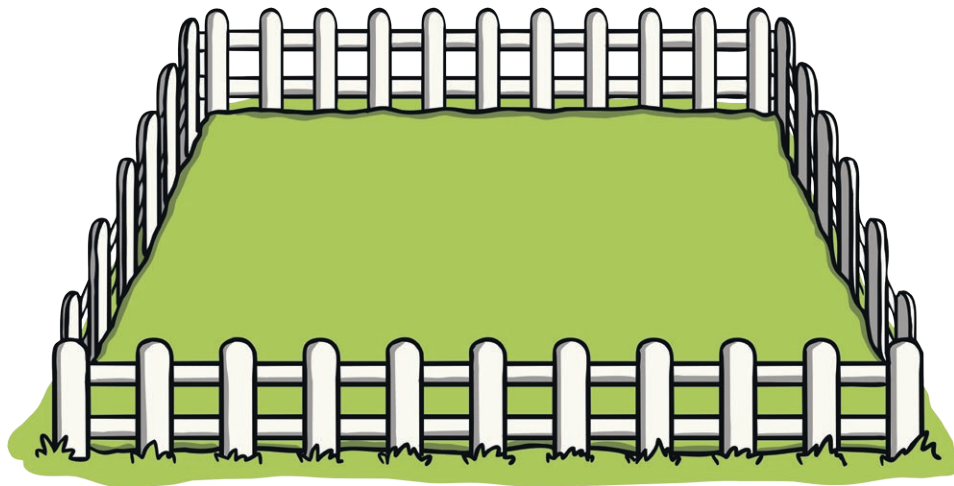

Total:

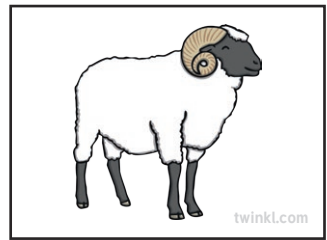

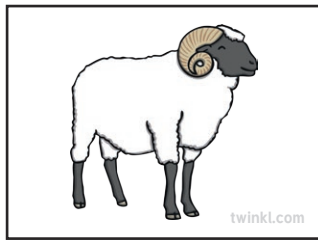

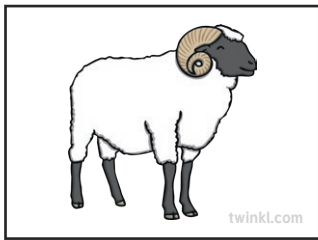

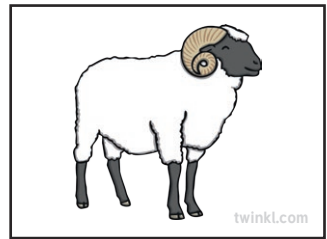

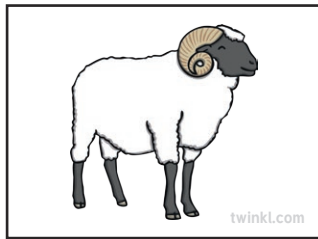

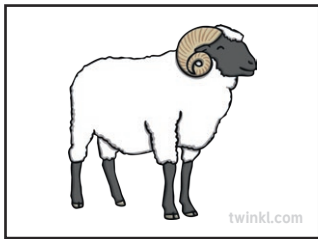

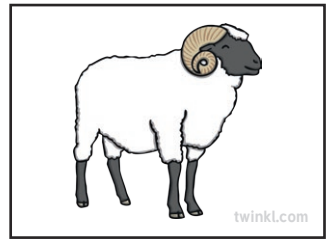

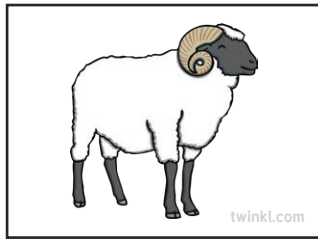

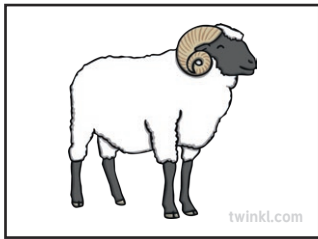

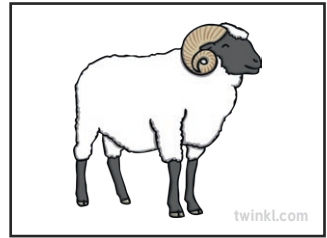

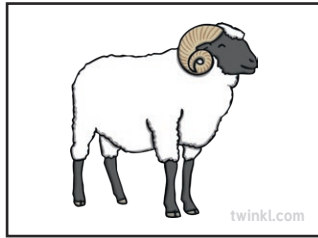

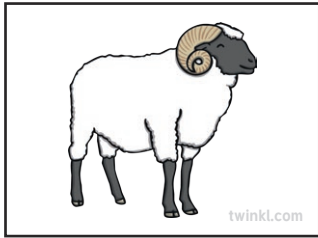

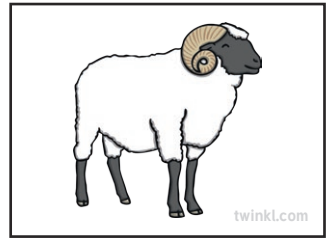

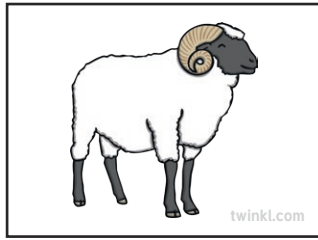

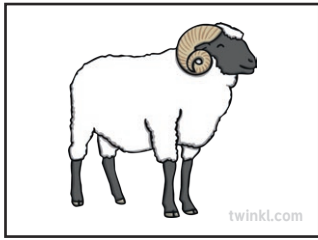

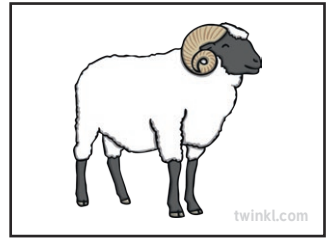

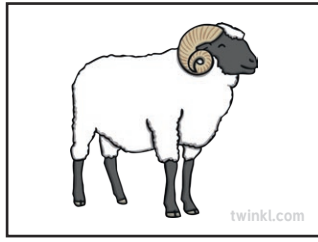

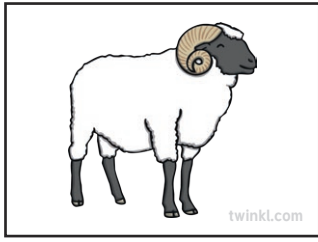

$$7 + 2 =$$

4. 8 in the pen 4 sheep found

Total:

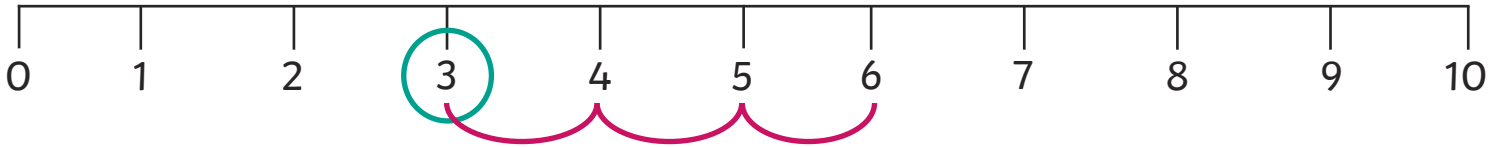

Sheep in a Pen Answers

I can count on to add.
