Dear Parent,

Primary Lunch service June and July 2020

In preparation for the children returning to school in June the Trust have been looking into the options available to us to provide the children with a school meal.

As explained in the information you have received from Mrs MacDonald the children will be put into their own "bubble" with designated members of staff and will not be allowed to mix with children/staff from other bubbles or be allowed in any other part of the school.

We will need to use every part of the school, including the hall, to implement safe social distancing and therefore will be unable to offer the children a hot meal but will be able to provide the children with a cold picnic or sandwich lunch option.

Attached is the initial menu we will be offering, each lunch will be prepared offsite and will be delivered in sealed packaging in a sealed lunch bag. If you wish to order a lunch for your child please do so via the WisePay system alternatively, you can send your child to school with their own packed lunch—please ensure that your child's lunchbox has been thoroughly cleaned every day.

If you choose the school option for lunch please ensure that your order is placed online no later than 4.00pm on Thursday 28th May otherwise you will need to send your child to school with their own packed lunch for week 1.

Kind regards,

Mrs Crawford
Administrator

Gretton Primary
